

Thank you for being a part of the St. Vincent's Swim Across the Sound. We hope that you and your loved ones are safe and healthy.

After canceling the 2020 Marathon due to COVID-19, our hope is to host the Marathon in its entirety in 2021. We want you to be aware that we are moving forward with cautious optimism that we will be able to hold the event while honoring our commitment to protect the health and safety of our SWIM participants, their families, and the community.

We have reserved the date of August 7, 2021 for this year's Swim Marathon and will update you through the website and via email with all our updates along the way.

Registration is now open for all swimmers, boat captains, and volunteers including medical and on-shore support. Please register at: [give.stvincents.org/marathon2021](https://give.stvincents.org/marathon2021).

Our mission is, as it has always been, to support individuals in their personal fight against cancer. We do that by providing funding of wigs and prostheses, medication assistance, free transportation to treatments and appointments, and mortgage and rent assistance. Further, the Swim funds cancer screening and prevention programs for the uninsured and underinsured. Please help us support cancer patients and their families by [donating to the Swim](#). Gifts of all sizes are appreciated.

Together, we will ride the tide of change and come out stronger. Hope has no finish line!
